

Hospital Line Group, established in Athens, Greece, in 1993.

Since year 2000, H.L has expanded its activities to the rest of the Balkan countries and today we are already present in Romania, Bulgaria, Serbia, and North Macedonia as well as in Cyprus. Our presence in the above-mentioned countries is made through our own subsidiary companies.

Our company's policy is to focus and concentrate on specialty products, with priority to products involving innovation, quality and reliability.

The success of H.L is the collective dedication of our staff, which consists of 60 employees.

Our activity is oriented in two fields, Pharmaceuticals and Medical Devices, and we are one of the few companies in Greece that are active in both businesses. The main market fields of Medical Devices market, in which H.L keeps very important position, are:

- Cardiac Surgery
- General and Laparoscopic Surgery
- Vascular Surgery
- Interventional Radiology and Cardiology
- Anesthesia
- Intensive care
- Nephrology

Today our main partners in medical devices field are well-known European and American companies, such as:

- ***Cryolife***
- ***LeMaitre***
- ***Boston Scientific***
- ***Microvention***
- ***Merit Medical***
